Chap	Requirement Id	EfE	Person	Date	Time	Rel
------	----------------	-----	--------	------	------	-----

### 1.6 Statistics

Start date 2018-11-26  
Not done 0 EfE units

## 1.6. STATISTICS

---

Assigned	0	EfE units
Finished	0	EfE units
Finished (duration given)	0	EfE units
	0	hours

# Chapter 2

## project

This is placeholder for some introductory text.

### 2.1 Regius Files

**Description:** *Regius Files* enables multi-tenant content file management.

**Rationale:** Multi-tenant file management with a modern architecture; a showcase for CQRS, event sourcing, and more.

**Solved by:** [2.2.1 req1](#)

<b>Id:</b>	project	<b>Priority:</b>	10.00	<b>Owner:</b>	development
<b>Invented on:</b>	2018-11-27	<b>Invented by:</b>	david.miller	<b>Status:</b>	not done
<b>Class:</b>	detailable				

### 2.2 What's all about

#### 2.2.1 req1

**Description:** This **must** hold the description.

**Rationale:** This is a dependent requirement.

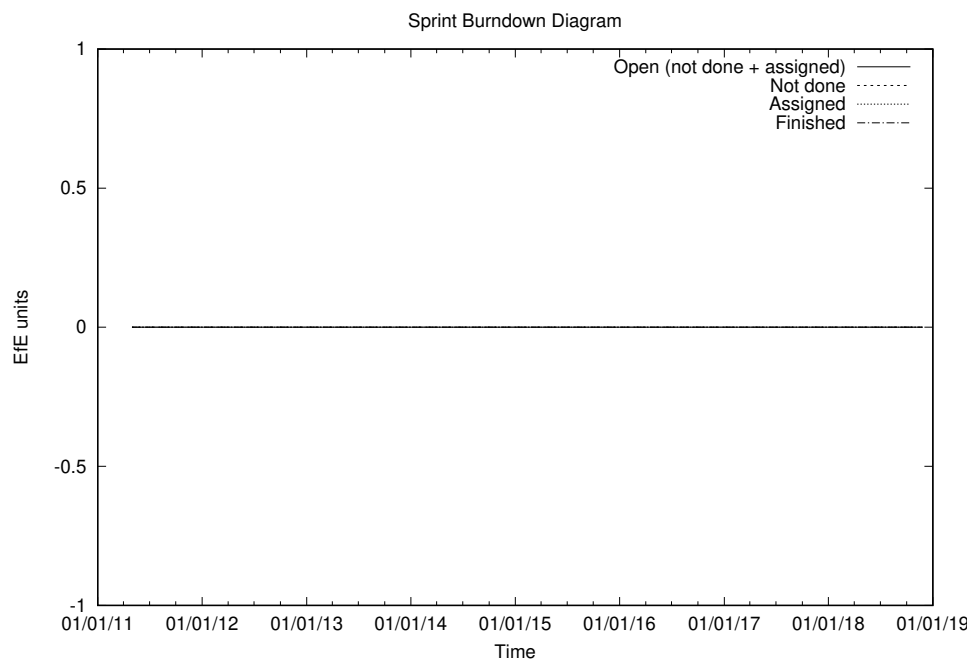

**Depends on:** [2.1 Regius Files](#)

<b>Id:</b>	req1	<b>Priority:</b>	10.00	<b>Owner:</b>	development
